Project Title: Porco Rosso Website

I want to separate information into multiple pages and use navigation buttons to link them together. There shall be enough pictures and word content to fill up the pages.

- **Home**
  - Brief overview of the film, including its basic plot and production details.
- **Plot**
- **Production & Cast**
- **Inspiration**
  - Homage to early aviation
- **Sources**
  - Containing Wikipedia page and sources from other pictures
